

PASSION MASTERY TOOL

What Will You Be Celebrating Next Year on January 1st?

HOW TO USE THE PASSION MASTERY TOOL:

As CEOs and leaders, we often chase progress but forget to celebrate our wins. This tool helps change that!

Picture yourself on January 1st next year, reflecting on the business, family, and personal milestones you've achieved. Use the three fillable boxes below to capture these celebrations and update them throughout the year as new successes unfold.

At year-end, revisit your achievements and celebrate with your top team and loved ones.

1. Will you share your 1-pager with your team to ignite their passion?
2. Will you share it with your Forum Chair and peer group to celebrate together?
3. Will you share it with your spouse and family to recognize your shared journey?

IT'S JANUARY 1ST NEXT YEAR, AND HERE'S WHAT I'M CELEBRATING:
